Formal Complaint

Robert T. Gallagher vs. KU

Page 2 of 2

I paid the bill and fee, and service was restored. My next month bill had an additional charge of \$65. I refused to pay it because KU already has a \$50 deposit on my account which they have never used and any additional amount is unnecessary.

Wherefore, complainant asks that the PSC order  
(Specifically state the relief desired.)

KU not to charge me an additional \$65 deposit because it is unnecessary and they already have a deposit from me. My account should be "grandfathered in".
